## *Show Presidents 2019 - Maurice & Aisla Jones.*

An introduction from Aisla

*"Maurice & I are both born and bred locally - Maurice at Court Calmore, Montgomery, and myself at Aberbechan Hall near Newtown.*

*Maurice has spent his entire life both farming and expanding the business, while also finding time to serve on various farming related committees, always trying to make a difference.*

*We have 3 children, and at the moment 7 grandchildren (another is expected in May). They all live very close to home with their families and are heavily involved in the business.*

*My life totally revolves around childcare, helping with the horses, and looking after the grandchildren's ponies. This keeps me extremely busy, but fortunately it's a life I thoroughly enjoy.*

*We have both supported Guilsfield Show as competitors throughout our lives - Maurice and his brother Robert showing cattle for many years through to the early 2000's when TB restrictions prevented us showing, and myself and my brothers competed with ponies from the age of 4 onwards, and our father Rowland Fernyhough was competing at Guilsfield in the 1950's. We have carried on the tradition with our children, and last year 4 of the grandchildren made their debut competing at Guilsfield.*

*We are both honoured and delighted to be Show Presidents this year, and only hope to do the job justice. Our chosen Charities are **Hope House and Macmillan Nurses.***

## **Dogs in cars on Hot Days**

- When travelling to a show please consider if the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
- If your car is not air conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible and plenty of stops should be taken with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog.
- When at the show never leave your dog in the vehicle.
- Keep your dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated and this could lead to dire results. Please look after your dog's welfare.

**If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Regulations

Right to refuse entries: Exhibitors/competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry.

**Please note** – Only one handler per dog will be given free entry to the show ground.

## ***2018 Awards***

From our 2018 Show, Presidents Chris & Robin' Cooke presented charity cheques for £650 each to Wales Air Ambulance and to MEDS.

We also donated £350 to the Guilsfield Community Council Defibrillator Appeal and £180 to the village Church. We are delighted to be able to support such worthwhile local causes.

Guilsfield show is self-funding and relies on the enormous support of our local community and from visitors further afield to continue each year. Our substantial costs holding the show are provided by our entrance fees, any profit from our social functions and the generous support of our sponsors. All our committee members are volunteers, we are also supported by many members of our local community. We aim to pass on a charity donation each year to nominated charities which are usually selected by the current presidents. We also aim to support our local community in any way we can... we are truly a community event.

**Our 2020 show will take place on Thursday 13<sup>th</sup> August.**

***Thank you for your support.***
